

# Focusing on the Future

**Monday, November 20, 2006**

**4:00 p.m. - 5:00 p.m.**

## General Concurrent Sessions, Workshop Outlines

### **Instructor Skills Enhancement: Module 3 - Measuring Student Performance**

**Location:** Medical Forum A

**TL**

**Area of Interest:** Teaching and Learning

**Presenter(s):** David Laton, Alabama Department of Postsecondary Education

This session will explore the development of a variety of assessment instruments. Participants will engage in discussion regarding the purpose and usefulness of various testing instruments and their impact on the instructional validation and student success process.

### **Transforming Developmental Education**

**Location:** Birmingham Ballroom 3

**TL**

**Area of Interest:** Teaching and Learning

**Presenter(s):** Dr. Mary Barnes & Sue Cox, Wallace State Community College-Hanceville

Many developmental programs are in need of revisions. Low rates of student persistence and achievement have plagued community college developmental programs for years, resulting in a number of academic and personal risks. This presentation aims to identify a collective vision and make recommendations based on current research for transforming developmental education programs.

### **Assessing the Quality Enhancement Plan: Viewpoints of a Reviewer**

**Location:** BJCC East Meeting Room N

**TL**

**Area of Interest:** Teaching and Learning

**Presenter(s):** Dr. Charles Blackledge, III, Bishop State Community College

The Quality Enhancement Plan (QEP) is a significant component of the Principles of Accreditation for the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). This presenter has served on three on-site committees and has assisted in the evaluation of the QEP's of the colleges reviewed. The presenter will share his experiences and views on conducting an assessment for the QEP from the perspective of an on-site reviewer. This presentation will also include a synopsis of the criteria and suggested guidelines used to evaluate the acceptability of a QEP as outlined in the SACS Handbook of Review Committees.

### **The Effects of Students' Classroom Identity on Learning**

**Location:** Medical Forum Auditorium

**TL**

**Area of Interest:** Teaching and Learning

**Presenter(s):** Dr. Ramona C. Gartman, Gadsden State Community College

Students develop identities in classrooms based on overlapping and sometimes conflicting memberships in diverse learning communities. These identities mediate the value students place on learning. This session will provide a detailed discussion of learning communities and their effects on students.

### **The Road to Fame: Success through Community College Affiliation**

**Location:** BJCC East Meeting Room J

**SS**

**Area of Interest:** Student Success

**Presenter(s):** Lisa Waldrop, Deborah Bonner & Jan Rogers, Shelton State Community College

By examining selection processes, member requirements, and organizational activities, participants will see the impact of an ambassador program on the community college student.

### **Serving Non-traditional Students at the Community College**

**Location:** Medical Forum H

**SS**

**Area of Interest:** Student Success

**Presenter(s):** Chris Franklin, Alabama Technology Network; Dr. Angela Lusk, Snead State Community College; Marilyn King Reece, Northeast Alabama Community College; Tommy Taylor, Shelton State Community College & Theresa Trawick, Lurleen B. Wallace Community College

This session provides insights into issues affecting the recruiting, retention, and educational success of non-traditional students and suggests strategies that can be implemented to assist them.

## Evaluations

**After each session and workshop, you will have the opportunity to complete an evaluation. Please take time to complete the evaluations and return them to the session facilitators.**

**Information provided to the conference planners from these evaluations enable them to enhance professional development opportunities for members of the Alabama College Association.**

### General Concurrent Sessions, Workshop Outlines

#### Your Money, Your Retirement and DROP

**Location:** BJCC East Meeting Room O

**SD**

**Area of Interest:** Staff Development

**Presenter(s):** Judy Price Guy & Ada Griffin, Retirement Systems of Alabama

How much will be enough for retirement? Your TRS retirement pension is safe, but have you considered the possibility of needing more funding for your retirement? This session will give an overview of your retirement plan under TRS and the DEFERRED RETIREMENT OPTION PLAN or DROP. You will also explore the advantage of contributing to the RSA-1: DEFERRED COMPENSATION PLAN. The RSA-1 Plan can help stabilize you in retirement. **This session is a repeat of the workshop conducted at 2:45 p.m.**

#### How to Decrease Audit Field Work Time for an A133 Audit

**SD**

**Location:** BJCC East Meeting Room C

**Area of Interest:** Staff Development

**Presenter(s):** Patricia Hughes & Gil Turley, Drake State Technical College

Planning techniques can reduce the time an independent auditor spends on campus in audit field work. Planning can also save staff time and resources. This presentation will describe a suggested planning process for an A-133 audit. Participants will receive ideas on a format for providing records, a list of important documents that will be needed, and sample worksheets that can reduce the time an auditor must spend on campus.

#### The 93% Rule

**SD**

**Location:** BJCC East Meeting Room E

**Area of Interest:** Staff Development

**Presenter(s):** Greg Gray, Renaissance Unlimited, Inc.

Studies have shown that when others listen to us, only 7% of what they "hear" is words. The rest of what they listen to is our tone of voice and body language. In this presentation, participants will be provided actual applications and misapplications of "the 93% rule" in personal and professional interactions.

#### ACCC Bylaws and Championship Events

**SD**

**Location:** Sheraton Meeting Room 430
